We had Owen help us with our ceremony and we could not have dreamt for everything to go as smoothly as it did. Of all the things I had to worry about on my wedding day, our officiant most certainly did not fall on that list. We met with Owen a month prior via Zoom and we went over the changes we wanted to make to our "spiel". He was open, receptive, showed up on time and really ensured that everything dlowed smoothly. I wouldnt recommend anyone else as affordable and reliable as best wedding officiant!
