Amazing Officiant

Our experience with Dave was seamless, professional and unique. From our initial consultation Dave was knowledgeable, kind and accommodating while guiding us to customize our non denominational ceremony. He prepared a beautifully written custom ceremony that really moved us. Our guests complimented his public speaking skills and over all presence. The sand ceremony was the point of difference and really enhanced the ceremony for both us and our guests.

Thank You Dave

A Thoughtful Ceremony

We couldn't have asked for more. Dave made the ceremony special for us, and it showed. Truly a thoughtful vendor. I would recommend him to anybody looking for an amazing, unforgettable ceremony.

Best Officiant Ever!

Super grateful Dave was able to marry my husband and me. He was the perfect officiant!! Dave has all the qualities you would want in an officiant; he is confident, kind, funny and well prepared! The sand ceremony Dave coordinated was super sweet and touching. Dave made our day extra special :) Highly highly recommend!!!
