I can't say enough great things about Michael. We got married on 11/12/22 and Michael made our ceremony so special! At one point in the night my mom swore he was apart of my husbands family! After the ceremony everyone came up to me and was raving about him. He went around to all of my guest and talked to them which is so important. He made us and our family feel so comfortable. He arrived early like he said he would, I was still talking pictures so my bridal party went with him and they took care of everything. It was so good to know everything was taken care of. He did all of the paperwork which was a huge help. Everything he read was just so beautiful, after our first phone call we knew he was the one we wanted to marry us! Thank you again!!
