Highly recommended to anyone looking for an **officiant**. From the time I reached out to him to the day of the ceremony, he was quick to respond, answered all of our questions, and assisted us in creating a beautiful script for our ceremony. He was open to learning a new ceremony and helped us incorporate hand fasting into our **wedding** which went flawlessly the day of because he was willing to practice at the rehearsal. Again we highly recommend Minister Troy to anyone that is looking for an **officiant**. He made everything so easy and even though I kept forgetting my lines, our ceremony was perfect thanks to him! Thank you again for everything!

Troy was wonderful. My husband and I had no idea what we were doing so he walked us through every step. He showed up early on our rehearsal and on our **wedding** day and kept us on point, guiding us through each part. He kept the ceremony uplifting and sincere, and he really cared about our happiness. He sent us a script for a non-demoninational ceremony per my request and was so kind to make all the changes I asked for without hesitation. He was friendly and genuinely happy for us. Once the ceremony was over we just handed him the paperwork and he took care of the rest. Now we have our **official** marriage license! Thank you so much, Troy!

Minister Troy gave my husband and I the exact **wedding** ceremony we wanted. He is very responsive and organized. I highly recommend him for your **wedding** ceremony.

Minister Troy was very professional and punctual. He also made the process a lot less stressful by preparing a script that is customizable per your preference. He would also send you a gentle reminder to bring in the marriage license with you before the **wedding** to ensure you'll get your certificate in case you'd forget because of the **wedding** preparations. He is very respectful and made me feel comfortable during the ceremony itself. Thank you so much!
